

PREPARATO LIQUIDO

PRODUCT DESCRIPTION

Premium liquid wax formulated for the polishing of bullnoses, corners and edges of marble, granite, terrazzo, agglomerates and composite materials to obtain a water repellent, long lasting, high gloss, mirror finish. Application of product enhances and uniformes the natural colours of material, hiding eventual defects in material and shines difficult surfaces such as corners, statues and vases when using traditional methods. Rapid and immediate results due to its fast-evaporating formulation.

APPLICATION SURFACES

Marble, granite, terrazzo, agglomerated and stones.

CHEMICAL AND PHYSICAL PROPERTIES

APPEARANCE:	Liquid
COLOR:	Clear Transparent
ODOR:	Characteristic
SPECIFIC GRAVITY AT 20°C:	1,48 +/- 0,05 g/cm³
SOLUBILITY:	Insoluble
PH:	N.A.
STORAGE AT 20°C:	24 months in original packaging

HOW TO USE

ALWAYS TEST PRODUCT FIRST following below indications, before proceeding with complete product application. Ensure that surfaces to be treated are completely dry and clean, free of dirt, dust, grime, surface incrustations or old waxes.

On a clean and dry surface spread the product uniformly over the area to be polished using a clean cotton cloth.

Allow product to dry completely, before polishing or buffing using a fine steel wool pad until desired gloss is obtained. Do not polish if product has not yet dried completely.

RECOMMENDATIONS

To facilitate product penetration, we suggest warming the surface to be treated before product application. Polish will melt and penetrate better into the pores.

The longer the product dries, the better the result.

To lengthen drying time, product can be diluted using a turpentine-based solvent @20%

If applied to floors, surface may become slippery. Slipperiness may decrease over a few days after initial washing.

Do not apply to synthetic materials such as plastics, rubber and linoleum.

Before use, read completely product label, technical data sheet and safety data sheet.

INDICATED COVERAGE

With 1kg of product on polished marble and granite (above 800 grit) it is possible to polish 25/30m²

PACKAGING

CODE	CONTENT	PCS PER BOX
002APL01	1 lt	6
002APL05	4 lt	2
002APL03	20,5 lt	1
