

PROTECTIVE FOR WOOD DECKS (cleans, protects and polishes)

Indicated for extraordinary deep cleaning of oil treated external decking. Thanks to its beeswax-based formulation, the product nourishes and protects the decking preserving its natural beauty over time. Easy to use, the product does not leave smudges or films on the surface and gives a warm natural finish to the wood.

SURFACES

External wood surfaces & decking.

FEATURES

It cleans, protects and polishes in one action. Contains beeswax.

HOW TO USE

Apply to clean, dry and dust free surfaces. Dilute 50ml of product into 1 lt. of water. Clean the surface using a well squeezed mop, microfibre cloth or pad. Once dry it is possible to walk over the cleaned area straight away. For a higher gloss buff the floor with a dry soft cloth. Keep the product in its original container. Test on a hidden area first to assure the wood react adversely to the product.

1 cap = 10ml

CHEMICAL PROPERTIES

APPEARANCE: Liquid

COLOUR: Orange

ODOUR: Sweet wood

SOLUBILITY: Miscible in water

MADE IN ITALY

ADVANTAGES

The product renews the surfaces and leaves no smudges and residues.

ADVICE

3 ACTION DECK is highly recommended for the maintenance of external oil treated wood surfaces.

ATTENTION:

Carefully read the recommendations printed on the label. Always test before use. Do not dispose of the container in the environment after use, follow the disposal information indicated on the label. Keep out of reach of children. The product has anti-stain properties but does not protect surfaces from acids. Check the actual resistance of the material to the product on a hidden portion of the surface to be treated. When using the product, use suitable PPE and consult the safety data sheet.
