

MAINTENANCE CREAM

Maintenance cream indicated for extraordinary cleaning and polishing of marble, granite, agglomerates and quartz/resin. Dues to it innovative formulation, product guarantees an effective removal of surface dirt while leaving a mirror like finish without the use of solvents. Product is indicated to clean and to increase gloss on worktops, countertops, tables, window sills and furnish in general.

SURFACES

Polished Marble, Granite, Terrazzo, Marble/Resin, Marble/cement, Quartz/resin and Natural stone.

FEATURES

Cleans and polishes in one action.

HOW TO USE

Apply to clean, dry and dust free surfaces. Apply a few drops of B - LISTO and proceed to spread manually in circular movements using a microfibre cloth or sponge covering completely the area. Allow B-LISTO to dry for approximately 10-15 minutes before buffing surface using a clean cotton pad or microfibre cloth.

ADVANTAGES

B-LISTO combines the strength of a cleaner with the polish of a high quantity wax. Thanks to its dual action, product renews surface polish while leaving a light surface coat of wax.

ADVICE

We recommend that the application is repeated periodically to maintain surface gloss. Before using, please read completely product label. Always test first.

CHEMICAL PROPERTIES

APPEARANCE: Cream
COLOUR: Yellow straw
ODOUR: Characteristic
SOLUBILITY: Soluble in all ratios
PH: 8,20 ± 0,50

COVERAGE FOR LITRE

Approximately 10-20 m²

(Product coverage may vary depending on type and porosity of material where used)

PACKAGING

Code	Content	Pc./Carton
P035POL02L	250 ml	12
